Earlier this year, Sue Taylor from Mersey Ferries met up with Andre Kuczewski from Quebec, a representative of the Canadian Government.

Sue had been corresponding with Andre for over 12 months as he planned an official visit to the UK. Andre and his wife Carmen, wanted to visit Liverpool in particular, to see Canada Boulevard and the Canadian War Memorials.

His visit included a visit to the Western Approaches Museum and a visit to the Bridge of a Mersey Ferry.

Andre left Sue with a Canadian flag and a specially minted coin, a gift from the Canadian Government which she then presented to the Lord Mayor of Liverpool.

Help raise funds for Breakthrough Breast Cancer Crocus Walk

Sue Taylor from Mersey Ferries, has arranged a 'Crocus Walk' as part of Breakthrough Breast Cancer's national campaign. The walk starts at Seacombe Ferry at 1100. Instead of sponsorships and collecting, Sue has decided to just ask all participants for a £10.00 donation. On arrival in New Brighton, the Parade Cafe have kindly agreed to give participants a free bacon roll and cuppa!

The event takes place on Saturday 18 April, so if you want to get involved, give Sue a call now on 0151 330 1420.

Comic Relief fundraising

We raised £588 for the 2009 Comic Relief appeal last month.

Staff wore different clothes in return for making a donation. Whilst raising money staff had a fun time and also helped change someone's life for good.
